Homecoming is an exciting time for everyone — especially the Homecoming Court. Their activities started with the rally on November 15. Cheryl Derry and Kelly Shenefiel surprised everyone by tying for Homecoming Queen - a first for Branham in 19 years! The fun continued with the Homecoming Dance later that night where the court had their own "spotlight dance." To wrap things up, the court attended the football game against Leigh the following morning and were honored to circle the track in T-Birds. It was a very memorable time for all!

COACH'S COMMENTS

The 1985 football team experienced a very emotional season. They opened the season very successfully by winning the first three games. Then they experienced two very disappointing losses. The team was able to fight back from the two upsets to earn a spot in the C.C.S. play-offs. Congratulations!

COACHE'S COMMENTS

This year's Branham Frosh/Soph team was probably the largest in number in Branham's history. The team was composed of many fine young men who worked hard and improved steadily. Their 19-17 win over Westmont was a hard fought, come from behind victory which showed the attitude and spirit of the team.

VARSITY FIELD HOCKEY

COACH'S COMMENTS

The Varsity Hockey team members were league champions with a record of 12-1-1. They scored 43 goals this season with only 9 goals being scored against them. All-league players were Gina Albanese, Denise Chatas, Gina Donofrio, Kim Guinn, Melisa McCoy and Gail Watanabe. Melisa McCoy was the leading scorer with 12 league goals. Denise Chatas had the most assists on goals with 8. Angie Esparza, only a sophomore, as goalie, saved numerous "would have been" goals. In CCS the team received the 3rd place trophy after losing to Gilroy in a double over-time and penalty stroke situation. A TOUGH LOSS! But being league champions for 9 years is nothing to be upset about. Hockey's great!!

COACH'S COMMENTS

The J.V. Hockey team captured the league championship with a record of 7-2-3. They were an outstanding team with good skills and leadership. Most of the team was new to the sport, and Branham girls learn quickly. The team scored 15 goals and only allowed 2 to be scored against them. Once again, Branham can look forward to a very promising team in the future.

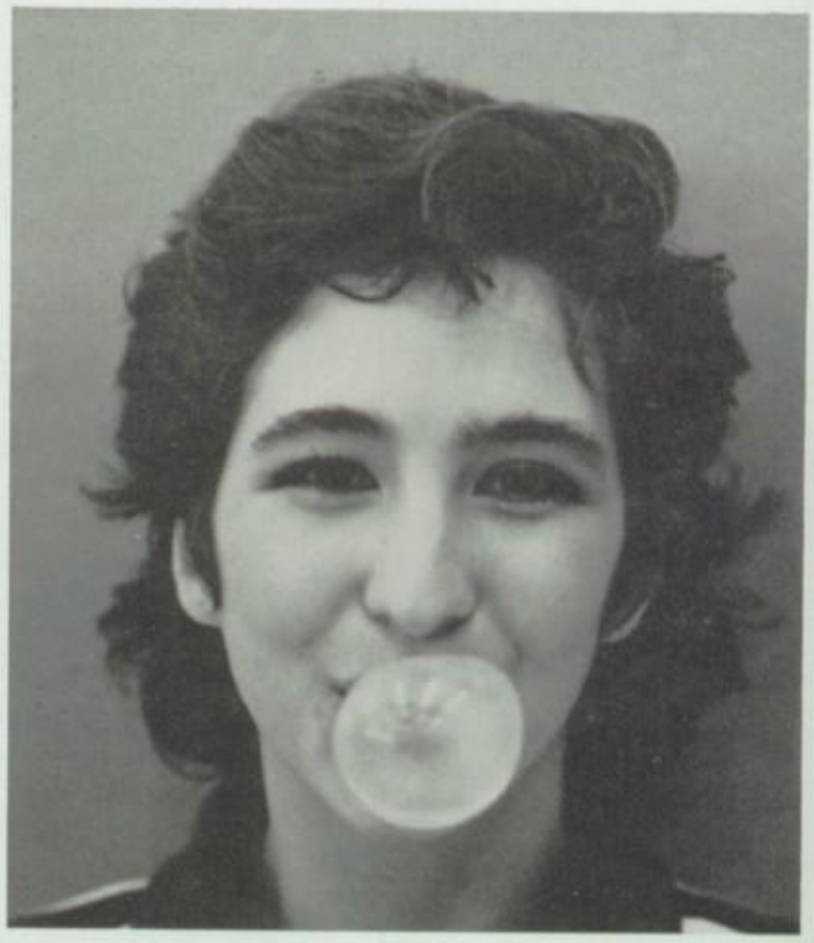
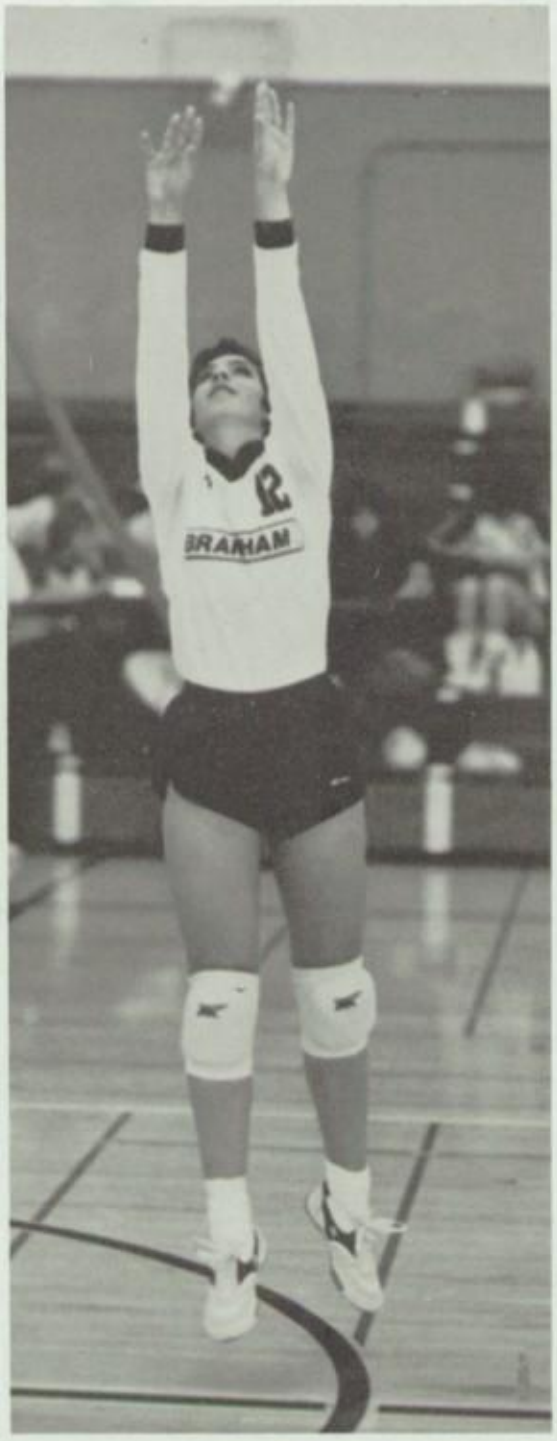
VARSITY VOLLEYBALL





COACH'S COMMENTS

Due to a high number of injuries this season, the varsity volleyball's WVAL 5-9 record was respectable. The players proved to be very versatile, willing and able to learn new positions quickly. Tanya Rusky was selected as an All-League player. Congratulations to the seniors who played well, and Branham can look forward to the return of the talented younger players!

The girls' varsity record was 4-3 with Paulette Metzger one of the top three runners on the cross country team. A few outstanding runners were: Ernie Barrera, Steve Muhonen, Russ Smith, Art Oliva, Greg Anderson and Scott Timpe. The girls' team had many new and younger runners such as: Margaret Bennett, Mary Johnson, Dawn Nordquist, Susan Bates, Collette Moore, and Rachel Chatman. Paulette Metzger, Margaret Bennett, and Dawn Nordquist were All-League members. The girls' varsity team was the first place team in the CCS in the academic area. They had combined G.P.A. of 3.71. They were the top team over all other teams. The whole team ran well and the season proved to be one of the best at Branham High School.

BOYS' SOCCER

COACH'S COMMENTS

The Branham boys' soccer team overcame relative lack of experience, eligibility problems and adapting to a new system of play under Coach Fred Guzman to come within one point of qualifying for the Central Coast Section playoffs. Branham finished with a record of 9-5-4 overall and 5-3-4 in the highly competitive West Valley League. All five of Branham's defeats came at the hands of teams that were ranked among the Top Ten and qualified for CCS.

Highlights of the season included a second-place finish in the prestigious Lovato Cup, the leadership provided by seniors Kevin Pantiga, Dave Mena, Nettie Chamorro and Art Olivo, and the selection of four players to the All-West Valley League Team. Pantiga was voted the league's Outstanding Defensive Player in addition to earning first-team honors. Mena was named to the first team. A pair of juniors, forward Jason Dominguez and midfielder Matt Pearson, were second-team picks.

Dominguez was the team scoring leader with 12 goals and 7 assists; Mena followed with 12 goals and 4 assists. Other players making major offensive contributions were: Chamorro (4 goals, 7 assists), Olivo (4 goals, 5 assists) and Greg Scallon (1 goal, 4 assists). Defensive standouts for Branham, which registered 7 shutouts and allowed only 1.22 goals per game, included: goalie Bill Mitchell and defenders Scott Dominguez, Steve Flocchini, Tim Campbell, Kedrick Knight, and sophomore Tim D'Angelo.

The Reserve Team (4-3 overall) saved its best for last by scoring a stunning 6-3 road victory over Valley Christain's Varsity, which qualified for the CCS playoffs.

GIRLS' SOCCER

COACH'S COMMENTS

The girls soccer team at Branham had a considerable amount of talent and skill. A large portion of the team will be returning next year.

The team started the season fast and strong, but was soon plagued by injuries. Three players were lost in the first Mitty game. Only one player returned for the team's last four games. The highlight of the season for the team was a 4-0 win over Los Gatos!

They were champions of the Branham Christmas Tournament and lost in the championship game of the Branham Frosh-Soph Invitational. Branham finished third in the West Valley League with a record of 8 wins and 4 losses. It was a very good year!

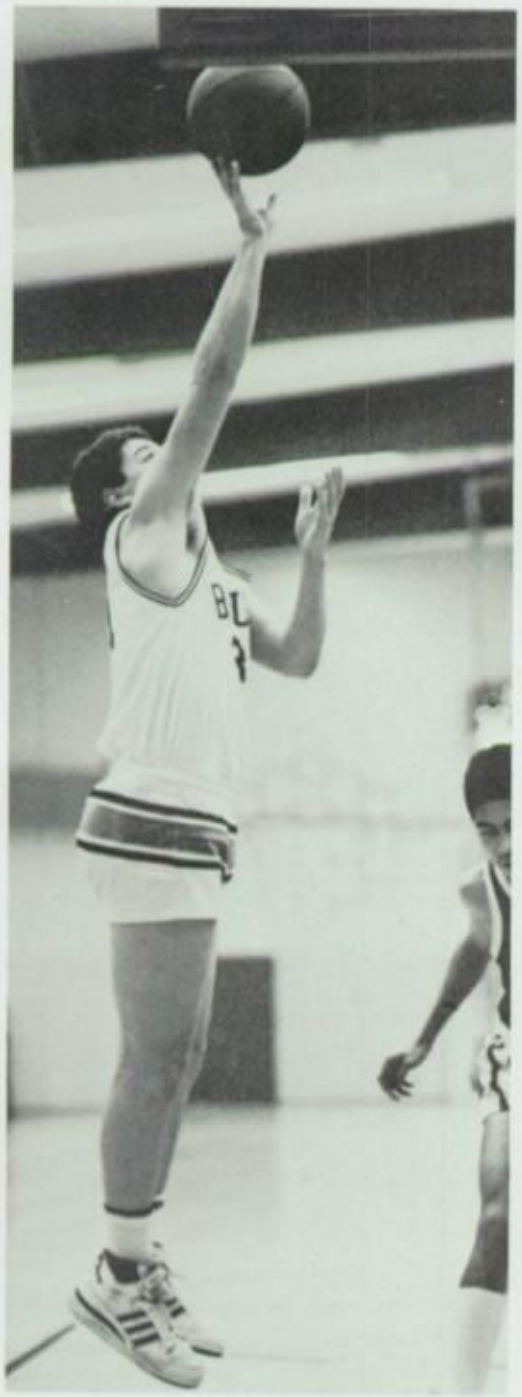
JUNIOR VARSITY BASKETBALL



COACH'S COMMENTS

The Branham Bruins were a very young team this year. The team had four junior starters and one senior starter. They lost many pre-season games for this reason. By the time league games started, the team was getting better and was starting to win games. They improved noticably with each game, and in the end three players were on the All-League team. These three players were: Jim Mallie (1st team All-League), Steve Bonafede (2nd team All-League), and Craig Chagnon and Sean Tannehill honorable mention All-League.

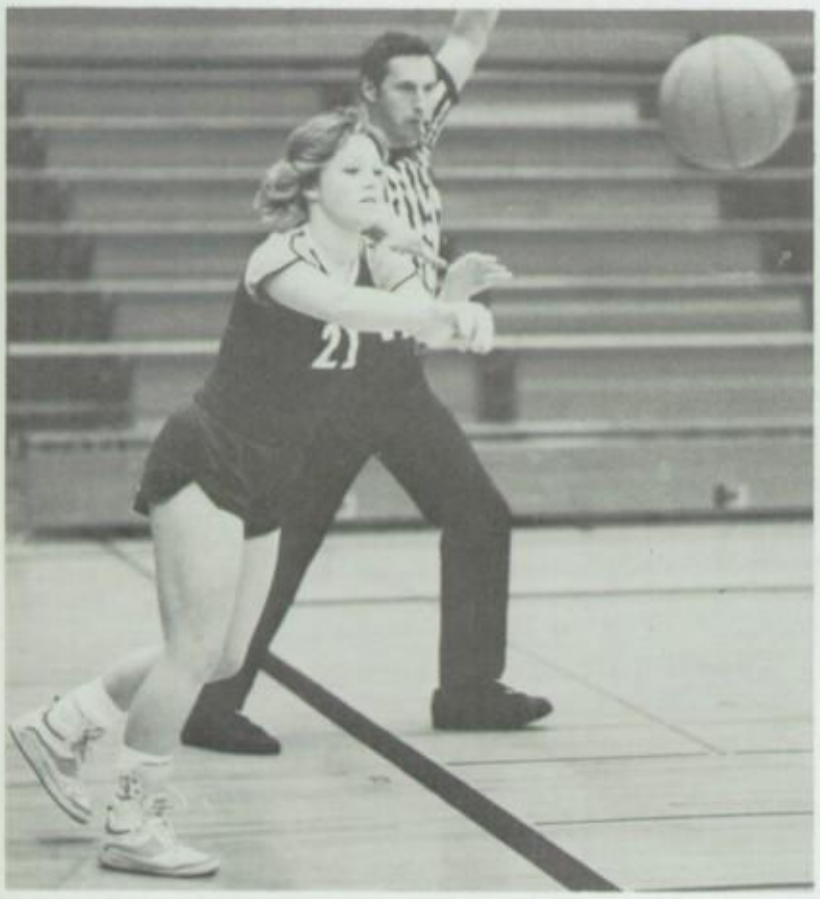
GIRLS' VARSITY BASKETBALL



COACH'S COMMENTS

Due to some inexperience at some key positions, the varsity girls' basketball team had a tough season this year. Despite the numerous setbacks the girls encountered, they never gave up under any circumstances! The team received great effort from everyone, and the girls always worked hard. Outstanding players included: Joy Bowen, Gail Watanabe, Kim Clark, and Jeanette Johnson.

GIRLS' JUNIOR VARSITY BASKETBALL

COACH'S COMMENTS

The girls' J.V. basketball team was a young and inexperienced team. The girls worked hard throughout the season in order to improve on their skills. They always kept their spirits high even when the going got tough! Tammy Pippin was the leading rebounder, Holly Bowen was the leading scorer and also team captain, and Phoung Nguyen was the best defensive player. Congratulations girls!

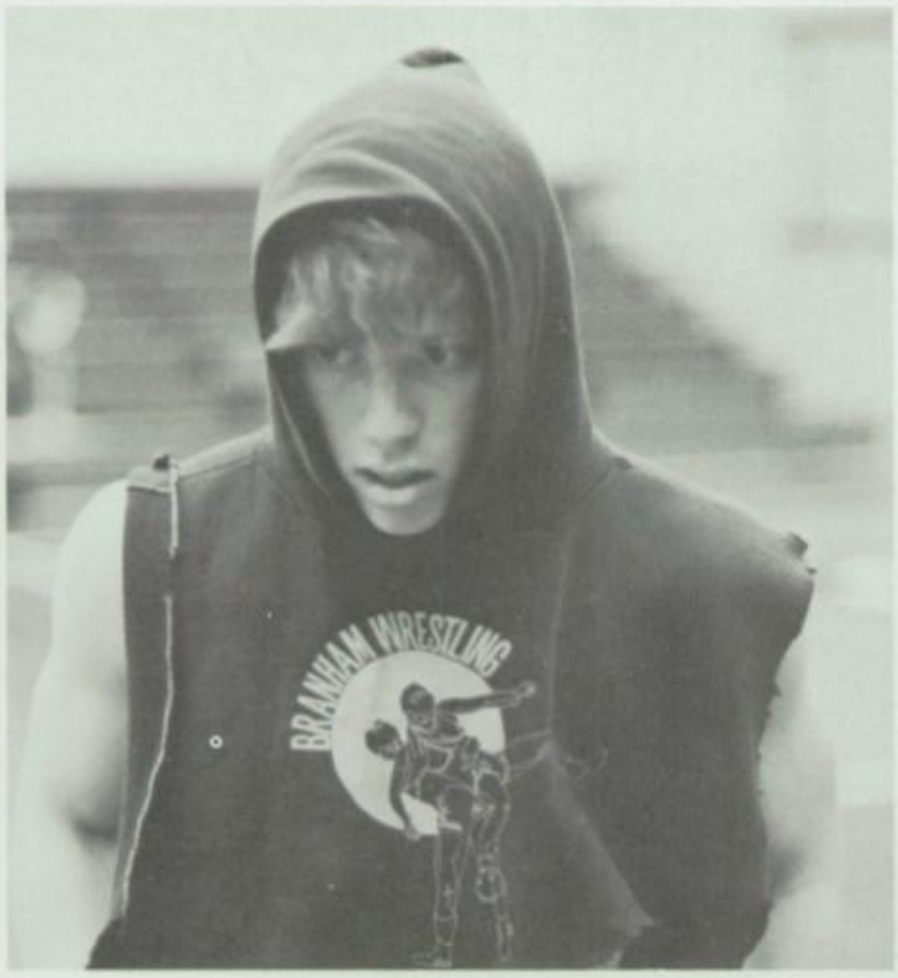
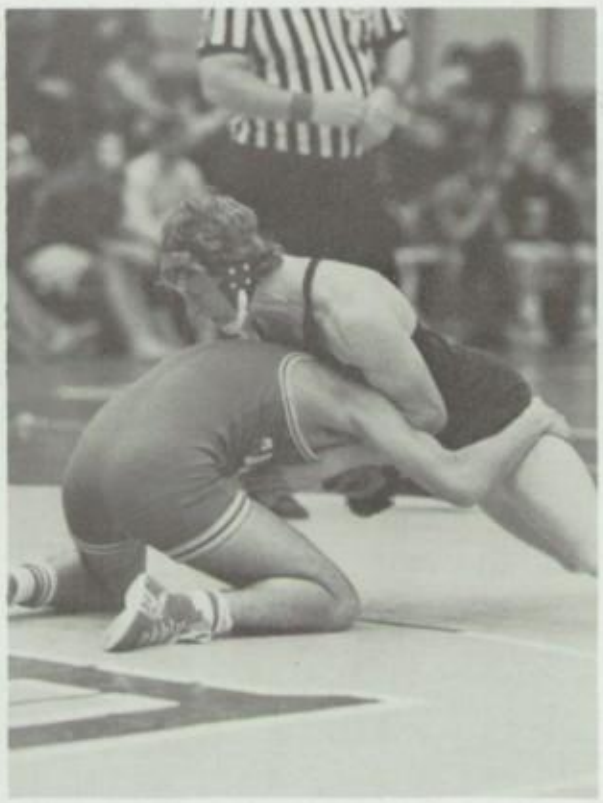
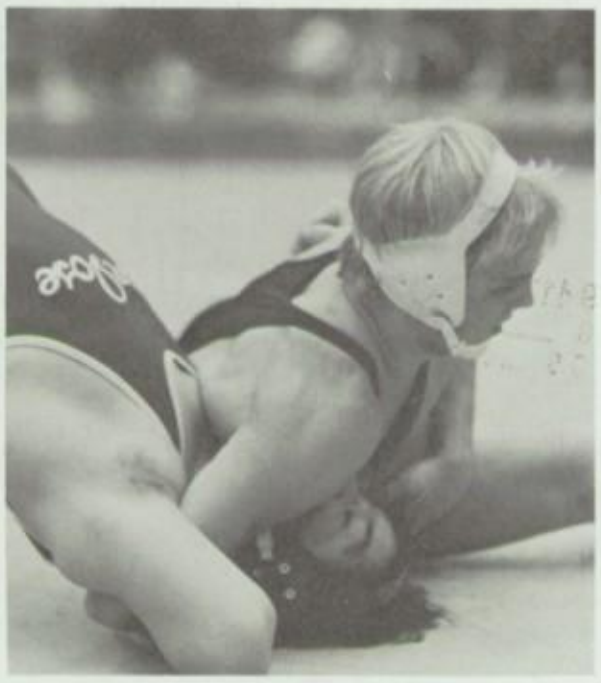
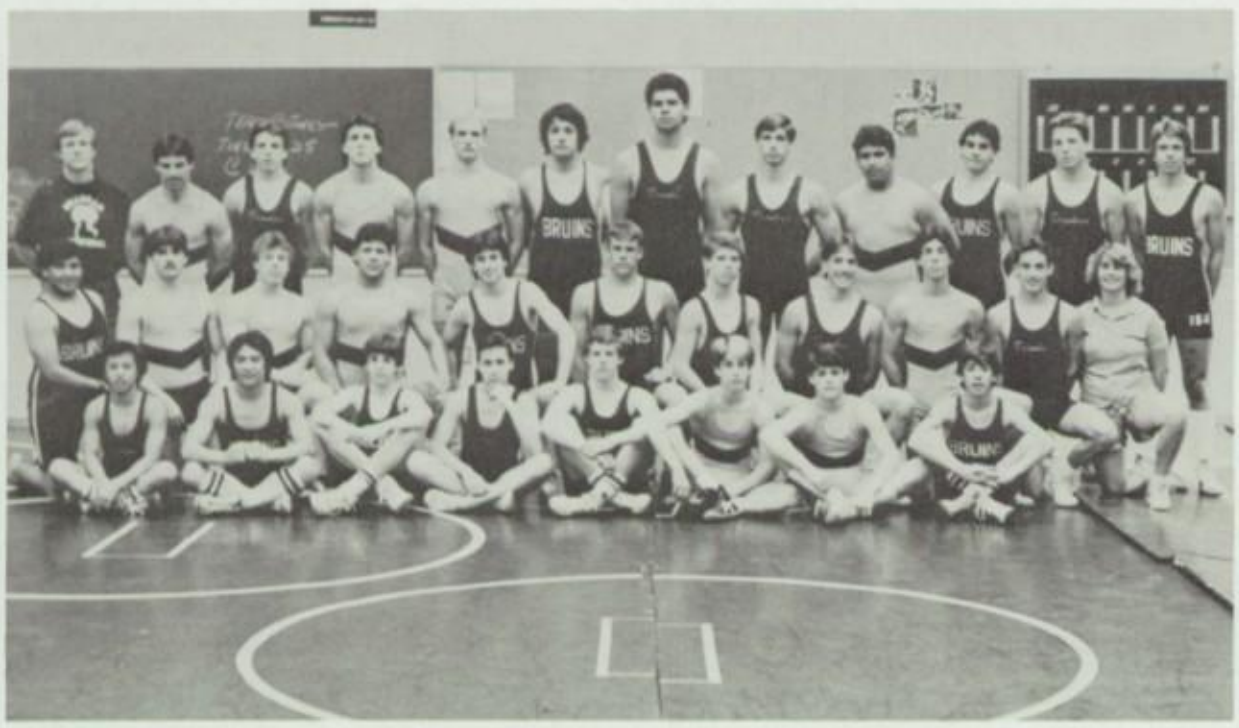
WRESTLING









COACH'S COMMENTS

The Branham wrestling team this year was characterized by a strong tenacity to pin their opponents. This enabled a team plagued with injuries to maintain a winning record throughout the season. The team placed third in League Finals. Outstanding members of the team were: Jim Wright-148 pounds, Bob Ramirez-157 pounds, Tim Aguilera-168 pounds, Kevin Garlick-178 pounds.

COACH'S COMMENTS

With the beginning of the new swimming season, the team proved to be hard-working and enthusiastic in their vigorous workouts led by the captain, Greg Scallon. The team had a very positive attitude. The swimmers and divers worked very hard to maintain Branham's excellent reputation in aquatics. Under the direction of the new coach, Bob Hepler, the team did well in league and Clark Richardson and Kevin Miyakusu placed highly in C.C.S.

GIRLS' TENNIS

COACH'S COMMENTS

We had a very successful season for several reasons: 1) 6 out of 10 varsity players were first year tennis team members, 2) 12 out of 17 (J.V. and Varsity) were first year players, 3) We tied for third place in the league with Mitty. This was a super achievement considering our young and inexperienced players. 4) Tracy Falcinella, Susan Higashi, and Susan Carsons, represented Branham in the League Championships. Though they did not win, Branham can be proud of their performances. We have a bright future because we were a very young team.

INTERNATIONAL CLUB

International Club consists of students who enjoy eating together. The majority of the club's activities are dinners in restaurants of different nationalities. While doing this, students are able to taste different foods, socialize, or laugh at each other's attempts at using chopsticks. Members worked hard on a not-so-successful fund-raiser, ornament selling! Luckily, the club did have enough money to support a young Colombian boy.

The counselors have a list of the committee members and when a new student comes to Branham they choose one of the members to help. The counselors try to choose a member who is in the same year of school and has the same lunch as the new student. The committee members' duties include showing the student around the school, locating their classrooms, and introducing the new student to other students.

AUTOGRAPH SPACE FOR NEW FRIENDS

FRENCH CLUB

The students in the French Club enjoy many fund raising activities such as Santa Claus pictures and candy cane sales at Christmas time. They also raise money through the Mardi Gras in the spring. Fund raising is not all French Club is about; they also find interesting ways in which to spend their money while experiencing some of the French culture. Trips to French plays, restaurants and movies are some of the activities French Club members partake in. They also have other activities such as trips to the zoo, melodramatic theatres, and parties, where French cuisine can always be found.

The thing most French Club members like best about the club is the friendliness of the club. Everybody pulls together and this gives the members a feeling of being in a close knit club where everybody feels comfortable with all of the other members.

YEARBOOK STAFF

We, the Ursa Maior editors, would like to thank our staff and our advisor, Miss Karen Wagner. Editing this yearbook was a much more difficult task than we had anticipated, and without the advise and guidance of Miss Wagner, we may not have made it through. Thank you all, yearbook staff, for the many hours you put in after school helping us to put together a yearbook which hopefully will be enjoyable for everyone!

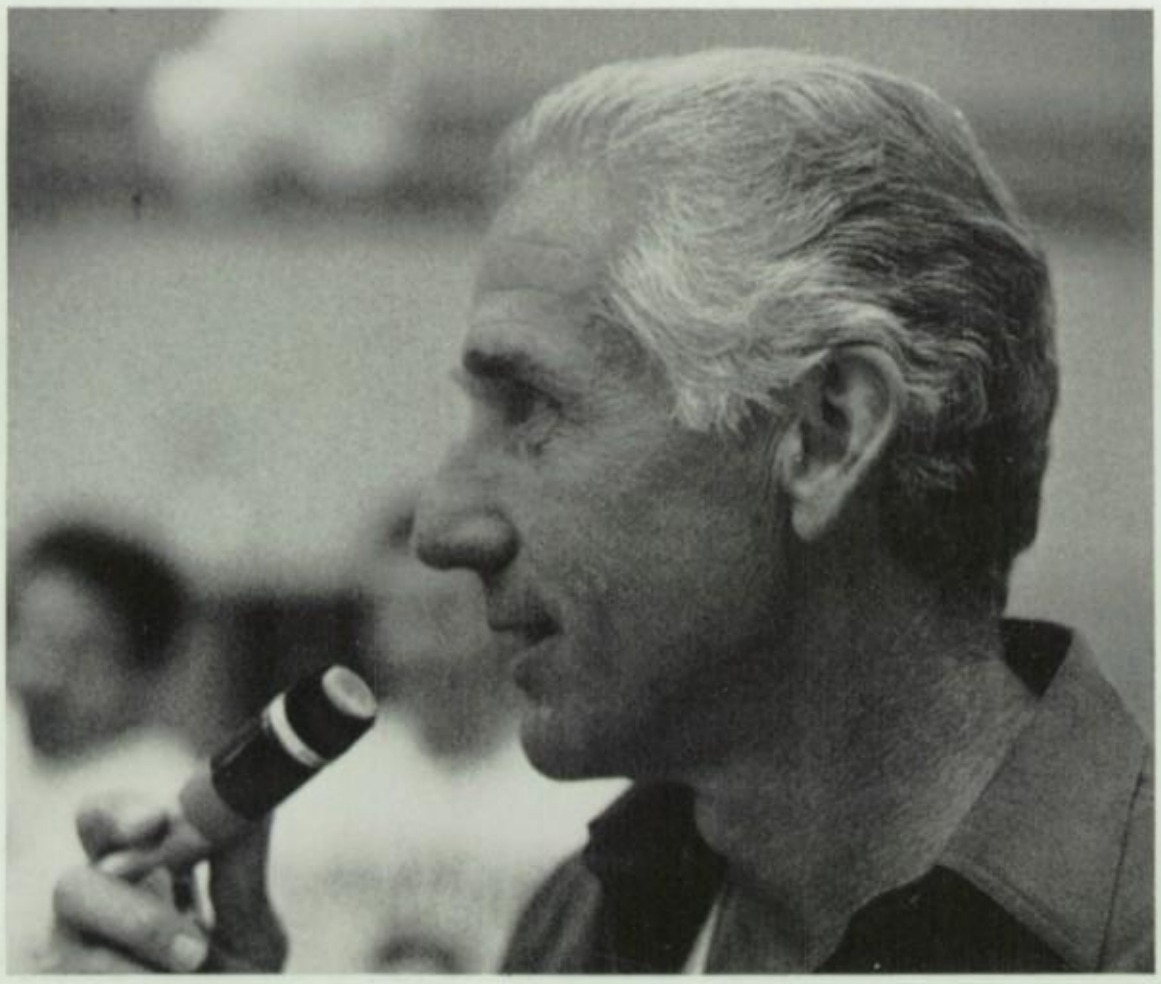
FACULTY

DEDICATION



The Ursa Maior staff has chosen two very deserving individuals to share this year's yearbook dedication. Both started teaching and coaching at Branham High School the first year it opened. Both have given countless hours to the students of Branham High, and their interest in students' lives goes beyond the court and field. Dedicated and hard-working are words which describe both recipients, but they also have their own special achievements.

Mr. Chuck Maraldo has been the first and only head football coach that Branham has had. He has coached the Bruins to four championship seasons, and he has compiled an overall career record of 118 wins, 63 losses, and 7 ties! Coach Maraldo has also taught athletic skills through his years of teaching P.E. courses. Not only has he taught P.E. courses, but he has frequently served as the head of the Boys' Athletic Department. He is often seen helping with flea markets and other fund raisers to support the sports' department. His concern for students is shown through his many extra hours of hard work!

Mr. John Erceg has been teaching, counseling, and coaching for 28 years in this district. He has been head basketball coach for 24 years and his outstanding overall record is 416 wins and 249 losses. He has coached 5 championship teams during his coaching career. Coach Erceg encourages his team on the court throughout the season, and at the end of the season he often chaperones the members of the team on an annual weekend ski trip. The ski trip involves his free time as does all of the time he spends with his athletes playing recreational basketball.

Both coaches have put forth extensive time and energy towards making Branham's football and basketball teams something to be proud of! Their efforts in teaching, counseling and coaching combined together make them worthy of this honor.

We, the Ursa Maior Staff, are proud to dedicate the 1985-1986 yearbook to: MR. CHUCK MARALDO and MR. JOHN ERCEG.

Corie-

I'm glad we became friends. I really enjoyed our math class. Sometimes it was rough having both you and Nathan in here. I wanted everything to work out for you two. I want to keep in touch over the summer. Anytime you need someone to talk to, I'll be there to listen. (265-7235).

All I really can say is follow your heart!

1986

Well, its finally gone, this year at Branham has been an experience for me. I learned so much in the year that I have been in school. I'm glad your happy with them. Thanks for the memories! Too bad its all over but that what lifes all about! Major disappointments Well, Next year I'll be back at Del Mar where I belong but the memories will stay at Branham and I'll keep them in my heart forever.

Have a Fun summer!

Corina:
It was so great having you as a friend and having you in Photo. Clause is such a Butt! This year was so boring and this yearbook is gross. I hope our senior pictures are better than this years. I liked last years so much better. You and TOM are so cute together. He treats you so GOODand you shouldn't even think about Nat. He's not worth it! I thought the Junior Prom was rad but it seems yours wasn't that great. I hope you will be happy with your decision and I hope you are happy period. I am so happy. You'll have to come visit me in Los Gatos over the summer and we can go shopping or something. I can't wait till I move and when I get to be a senior. TOO bad you're not in the same graduation class as I am. Class of 87 is the greatest and it's going to be so rad. Will get to go write in other books. Stay cool w/Tom and have a great summer.
